Houses, Branches and Groups of Toc H

This list is printed quarterly in the JOURNAL. Alterations and additions are noted in the intervening issues.

TOC H (TALBOT HOUSE) had its origin, as its name implies, in a *House* in Poperinghe, opened in 1915 to serve the overwhelming needs of men defending the Ypres salient; a "daughter," christened "Little Talbot House," was established in Ypres itself in 1917. It was therefore natural that the Toc H movement, which began in London in 1920 by rallying again the survivors from Talbot House overseas, should express itself in the visible home of a family of men. The first home was a small flat on the edge of the City of London, soon exchanged for a large house in Kensington which took the name of "Mark I"—in anticipation of other "Marks" to follow. The list below shows that the anticipation was justified. The organisation of Toc H to-day spreads upwards from some one or two keen individuals in a place who become the "pivotal" men of a little *Group*. The Group, having appointed a secretary and a padre, is duly registered by Headquarters, and may—after a real and extended trial of its cohesion and capacity for service—be promoted to be a *Branch*, a self-governing body of members to whom a "Lamp of Maintenance" is entrusted by the Central Executive. Such a Branch may eventually find that a residential House is, or is not, necessary and possible of achievement, but most Branches and Groups will always work with a modest room for their weekly or nightly meetings.

The list of all Houses, Branches and Groups of Toc H will be found below, and the list of the *League of Women Helpers* (a separate and auxiliary body for women) on page xx of this report.

ANNUAL REPORT, 1924-1925.

THE year 1925 must always stand out as a landmark in the history of Toc H, for on February 5 of that year Padres Clayton and Leonard set sail from Southampton on a world tour which has definitely established Toc H overseas. It is fitting that in the first place this report should record our thankfulness for the Pilgrims' safe return and for the success with which it has pleased God to crown their endeavours. Their itinerary included the U.S.A., Canada, New Zealand, the F.M.S., Ceylon, India, Egypt and Palestine. Their sowing is bringing in fresh harvests with every mail. The United States took back its first Lamp to New York after the 1925 Birthday Festival. Mark I, U.S.A., at Washington and Mark II in New York shelter, as did the old House, men of right purpose, and there are clear signs that the foundations of Toc H in the United States are being surely laid. In Canada previous work was consolidated both in Winnipeg and Toronto and new seed was sown. In New Zealand Toc H was established in the North and South Island, and in Australia in all the five States. A new Group was formed in the F.M.S., two in Ceylon, four in India, one at Suez, and one at Jerusalem. Since then the Rev. H. B. Ellison, *en route* to South Africa bearing their first Branch Lamp, has laid foundations at Cairo and Alexandria. This girdle which the pilgrims have now thrown round the world necessitates de-centralization. Toc H, Victoria, has been incorporated under the law of that State. Constitutions are being set up for the U.S.A., New Zealand, New South Wales, South Australia, Western Australia, India and Ontario. It is hoped in the near future to establish an Overseas Department at Headquarters with a separate secretary.

In recording extensions overseas we must not omit a Group established in Ypres. This is due to the fact that our Padres, whole time and honorary, have undertaken, at the request of the Church Army, to maintain the Sunday services for British subjects in Ypres during most of the year. We received during the year the gift of a very valuable House in Buenos Aires, now Mark I, South America. We renew our most grateful thanks to the anonymous donor, whose name we hope shortly to have leave to disclose.

At home no less has steady progress been made, not so much by a great success of membership as by the forming of new Groups all over the country. On March 1, 1925, there were in Great Britain and Ireland 18 Houses and 1 Hostel, 74 Branches, and 61 Groups. On the same date in 1926 19 Houses, 3 Hostels, 98 Branches and 92 Groups. Mark XVIII, Newcastle, has been possible owing to the faith and generosity of a few local members. In Birmingham the arrangement with the "Boys and Girls Union" has been terminated, and a former public house has been acquired as the new Mark VI. The thanks of Toc H are due to the Union for their hospitality which made the Birmingham Mark possible. Toc H in Manchester has raised money to convert a disused public house in Hulme into a hostel. And by arrangement with the Haileybury College Guild the London Houses Committee are running Haileybury House, Stepney, as a Toc H Hostel. In the N.E. area served by Les Abdy, and in Yorkshire where Arthur Lodge is Area Secretary, sound and steadily development has been very marked, while the great extension in London during 1924 is reacting largely through the Home Counties.

Staff changes have been numerous. Manchester has been deprived of the services of the Rev. M. P. G. Leonard during the year, but has carried on manfully, while Leicester has gallantly at the request of Headquarters released the Rev. Hugh Sawbridge for temporary work in Canada. The Rev. C. W. Hutchinson has accepted the living of St. John's, Waterloo Road, London, and the Rev. George MacLeod (C. of S.) has been appointed to the second charge of St. Cuthbert, Edinburgh. Both remain Hon. Padres of Branches. The Rev. Lionel Meade, to whom we

owe the Dock House at Southampton, has gone to the living of Burwash, Sussex. The Rev. Ronald Royle has become the first vicar of a new parish in Gorton, Manchester. We are glad of this opportunity of recording the debt Toc H owes to all these Padres, and also to Mrs. Meade, whose work and love for Toc H will never be forgotten.

The work at Birmingham is being undertaken temporarily by the Rev. G. Williams, who has been succeeded at Sheffield by the Rev. J. Redrobe, formerly Hon. Padre at Mansfield. The following have been appointed Hon. Association Padres :—Rev. W. E. Bond, Rev. C. Barnacle Brown, Rev. W. E. Drury, Rev. H. B. Ellison, Rev. C. W. Hutchinson, Rev. H. Leggate, Rev. W. B. Lusk, Rev. Noel Marshall, Rev. L. G. Meade, Rev. George Moore, Rev. E. G. Pearson, Rev. R. Royle, Rev. H. R. L. Slater, Rev. C. Steer.

The administrative staff has been increased by the appointments of Les Abdy as Area Secretary for the N.E. Area, H. Eastwood for Hants, Wilts, Dorset and part of Sussex, and Colonel R. Pennell as local Secretary for Southampton.

An outstanding event in the history of the year was the amending of the Charter. The amendments were passed by the Council in April, 1925, and allowed by H.M. the King in Council on December 16, 1925. By these amendments the first of the objects for which Toc H is formed was altered to read as follows :—"To preserve among men and to transmit to future generations the traditions of Fellowship and Service manifested by all ranks during the great War, thereby encouraging its members through the common Christian life of the Association to seek God, and helping them to find His will and to do it." The amendment was intended to make clear the Christian basis of our work. Other amendments created the offices of Administrator and Administrative Padre; provided for the regulation of Groups, which had previously not been recognised formally, and enabled Toc H to affiliate other societies.

The following have been appointed Presidents of Toc H :—the Lord Forster, G.C.M.G.; Rev. J. D. Jones; the Rt. Hon. J. Ramsay MacDonald, P.C., M.P.; Rev. J. H. Ritson; the Very Rev. Sir George Adam Smith; the Rt. Rev. John White; and Association Vice-Presidents :—Rev. S. M. Berry; Alderman Percival Bower; Lt.-Gen. Sir Charles Harington, G.B.E.; Sir Frederick Milner, Bart., P.C.; Councillor Miles Mitchell; Cyril Norwood; Rev. Canon Frank Partridge; Alexander Paterson, M.C.; Sir Robert Perks, Bart.; Sir Ashley Sparks, K.B.E.; the Rt. Rev. William Temple (Bishop of Manchester); Alderman Fred West.

Our sister movement, the League of Women Helpers, has now set up a regular constitution which includes a fundamental agreement with Toc H, thus assuring the closest co-operation.

The Schools work, inherited from the Cavendish Association, is being reorganised, and as a first move a Schools Advisory Committee has been formed consisting of :—Lt.-General Sir W. P. Braithwaite; Sir Bruce Bruce-Porter; W. C. Fletcher, C.B. (Chief Inspector of Secondary Schools, nominated by the President of the Board of Education); W. Hamilton Fyfe (Headmaster, Christ's Hospital); R. Gurner, M.C. (Headmaster of Strand School); W. Macmillan; C. A. Nussey; Major-General Sir A. F. Sillem; H. F. Stallard (Public Schools Commissioner of Scouts); Lt.-Col. R. Grant; and Barclay Baron.

It is also proposed to set up a Committee to deal with work in the Army, Navy and Air Force.

The system of Federations for Areas is being developed and a West Yorks Federation Committee has been formed somewhat on the lines of the London Federation. The possibilities of developing Toc H in the country are being studied by a "Countrymen's Committee."

This report would be incomplete without mention of the Annual Birthday Festival on December 19. This was held at the Royal Albert Hall, presided over by our Patron, who, in spite of the arduous work entailed in his own Tour overseas, did not fail to remember and encourage our own Pilgrims in their journeyings. Barclay Baron's masque, "In the Light of the Lamp,"

was most impressively performed and was a very real inspiration to those privileged to see it. In addition to new Branches, Lamps were lit for U.S.A., Australia, New Zealand and India.

ACCOUNTS.

In addition to the sums referred to below under Income and Expenditure account, the following sums were given for, and added to, special funds in 1924-25—Endowment of Chaplaincies £5,859 (£5,000 being given by an anonymous donor), memorial rooms £538, hostel properties £1,989, and sundry funds (for Lamps of Maintenance, &c.) £250.

The ordinary receipts shown in the Income and Expenditure account amounted to £10,132 as against £15,716 in the previous year. This drop of £5,584 in the receipts is mainly due to a reduction in donations (including donations to the Chaplaincy account) of £4,488. As against the £2,003 received from bazaars (mainly the Manchester and Sheffield bazaars) in 1923-1924, only £135 were received.

Expenditure increased by £2,303, from £9,429 to £11,732. The Branches were responsible for about £300 of the increase; the remainder, about £2,000, appears in the Headquarters' books. The two largest items in the increase are under Chaplains' salaries and travelling allowances £703, and administrative staff salaries (owing to the appointment of the London Jobmaster and additional expenditure on area secretaries) £760. The increase of staff also involved an increase in office staff salaries and wages of £277. The legal expenses increased from £6 to £277, but about half of this amount ought to have been charged to the year before.

The tour cost up to the end of the year, £2,542, and some claims remain to be met. The "loss" on the year's working was £2,548.

The position disclosed by the accounts is receiving the close attention of the Finance Committee. Whatever steps they may be able to take to make the income of Toc H more adequate to its crying needs, it is essential that the members should realise that the financial situation is most difficult. A few members already give so generously in proportion to their means that it would be impertinent to make any further appeal to them. But we hope, and believe, that there are many more who can, and will, when they realise the need, give "free-will offerings" in addition to their subscription. They should also bear in mind the importance of interesting people in their own localities who may be inclined to support the movement financially.

This is all the more necessary because the Central Executive, realising that it had become practically impossible for the Headquarters' staff to carry on their work, and that any expansion demanded by the growth of the movement was impossible if the central office remained in the cramped accommodation available at Mark II, decided to move to 1, Queen Anne's Gate. The expenditure involved by the lease which they have taken of this building is considerable, but the Central Executive were convinced that the move was necessary if the Headquarters' staff was to have a chance of doing properly the work which the spread of Toc H demanded of it. The building is indeed adequate to present and future needs; the man-power both for Headquarters and for development at home and abroad is well within sight; but funds, which are the material life-blood of any live organisation, are urgently required. Every member of Toc H should realise his responsibility in this grave situation.
